

Nisandre Stewart

FINE DINING SERVER • SOMMELIER-TRAINED • BARTENDER

Los Angeles, CA 90068

📞 (+1) 760-898-4449 | ✉️ nisquiks@gmail.com

Profile

Sommelier-trained server with 8+ years across fine dining, high-volume nightlife, and resort beverage service. Working command of Old and New World regions, food-and-wine pairing, and tableside bottle service, with the composure to hold formal standards in a chef-driven dining room or on a 1,200-guest night.

Experience

The Penmar

SERVER

Venice, CA

Jan. 2022 – Present

- Run full table service in a high-volume dining room, sustaining pace and ticket accuracy through live-music nights drawing crowds of 1,200+ guests.
- Own opening and closing as a trusted key holder — floor and station setup, stocking, cash handling, and end-of-shift reconciliation.
- Power user of Toast POS (coursing, modifiers, comps, split checks); cross-cover the espresso bar at brunch without pulling coverage off assigned sections.

BlackBook

SERVER

Palm Springs, CA

May 2021 – Nov. 2021

- Flexed between server, host, and food-runner roles within the same shift, absorbing coverage gaps through peak season without added labor hours.
- Paced seating and guest flow at the door on full-book nights to protect kitchen ticket times; ran opening and closing checklists with a clean drawer record.

Del Rey

SERVER — FINE DINING

Palm Springs, CA

Mar. 2021 – Jul. 2021

- Delivered coursed fine-dining service in a chef-driven dining room — synchronized drops, crumbing, silverware marking, and French-style table maintenance held to formal standards.
- Completed in-house sommelier training under the beverage director: Old and New World regions, viticulture and vinification, tasting methodology, and structured food-and-wine pairing.
- Guided guests through an extensive by-the-glass and reserve bottle list, translating tasting notes into plain language and matching selections to palate, course, and budget rather than price point.
- Performed tableside bottle service end to end — presentation, still and sparkling opening, decanting of age-worthy reds, correct glassware, and temperature management.
- Grew beverage attachment by pairing proactively at the point of ordering, and held full menu and allergen fluency across a rotating seasonal menu, fielding sourcing and dietary questions without leaving the table.
- Trained incoming servers on service sequence and wine fundamentals; regularly waited full sections and, on short-staffed shifts, the entire dining room while covering expo and bussing.

Infusion Beach Club

BARTENDER & POOL ATTENDANT

Palm Springs, CA

Jul. 2019 – Jul. 2020

- Built cocktails, frozen drinks, beer, and wine for a high-volume resort pool deck — solo behind the bar through shoulder hours, barbacking and running support at capacity.
- Balanced beverage service against deck operations, held par levels and batched mixes ahead of service, and monitored consumption per California responsible-service standards.

Wildest Greens

SERVER, HOST & BUSSEUR

Palm Desert, CA

Jan. 2018 – Jul. 2019

- Opened the floor daily and served a scratch-kitchen health concept front to back — greeting, seating, juice and smoothie station — holding turn times down by clearing, resetting, and re-seating in a single pass at peak.

Skills
